TERMS & CONDITIONS (continued)

Booking, Confirmation, Payment and Inclusions (1)

Upon contacting CN Dive to express interest in a booking, our team will initiate communication via email to arrange your trip. We will provide you with a detailed itinerary, the applicable cruise rate, and recommendations for travel arrangements before and after the cruise.

Please note that your passport must remain valid for at least six (6) months beyond the end of your travel period and must contain at least two blank pages for visa purposes. You are also required to hold a valid return ticket departing from Indonesia prior to entering the country.

Cruise rates are published on the CN Dive website on a per-person basis and for full group charters. If you book as a party of two or more, the cabin will be reserved exclusively for your group. Single travelers may be paired with another guest of the same gender.

Upon confirmation of your booking, you will receive an invoice requiring a down payment of 30% of the total cruise rate. This deposit is non-refundable. Your booking is officially confirmed only after CN Dive receives the 30% deposit as specified in the invoice. If the deposit is not received within 10 days of invoice issuance, CN Dive reserves the right to release the reservation to other customers.

(Please see next page)

TERMS & CONDITIONS (continued)

Booking, Confirmation, Payment and Inclusions (2)

All payments must be made by wire transfer according to the banking details provided on your invoice. Payments must be received by CN Dive net of all bank, service, and intermediary charges. Please select “payment of all charges” (or equivalent) when initiating the transfer.

The final payment of the remaining 70% balance must be settled at least three (3) months prior to the departure date. This final payment is also non-refundable. For bookings made within 90 days of departure, the full cruise fee is due immediately upon confirmation.

If a confirmed participant is unable to join the trip, the booking may be transferred to another person up to two (2) weeks before departure. Additional costs may apply for name changes on flights or other arrangements.

Your booking includes the following: transfers to and from the vessel, on-board accommodation, all diving activities, beach visits, meals and snacks, coffee, tea, and drinking water. Diving services include an English-speaking Cruise Director, qualified dive guides, full dive tanks, weights, and weight belts. Dive and snorkeling equipment as well as wetsuits are available for rent (prices are published on our website).

(Please see next page)

Booking, Confirmation, Payment and Inclusions (3)

The published cruise rate does not include domestic flights or hotel accommodation. CN Dive can arrange these upon request and will invoice them separately. If you book through a travel agent, all payments and communications regarding your trip must be handled through that agent.

In the event of unexpected fuel price increases, a fuel surcharge of up to IDR360,000 per person per day may be applied, with notice given no later than 30 days prior to departure. Additional charges may apply for optional extensive land excursions. Full details of inclusions and exclusions are published separately on the CN Dive website and will apply to your trip unless otherwise agreed in writing by CN Dive in your booking correspondence.

Guests may bring one bottle of wine or spirits per person on board. All onboard expenses (such as additional drinks, gear rental, etc.) must be settled at the end of the trip in cash (US$, Euro, AUD, or Indonesian Rupiah), traveler's cheques, or by credit card (Visa or Mastercard).

(Please see next page)

Trip Itineraries, Changes, Diving, Certification and Insurance (1)

CN Dive operates in different areas throughout the year to ensure optimal diving conditions according to season and destination. Charters requested outside the published schedule may incur a relocation fee in addition to the published rate. The relocation fee is calculated at 50% of the daily full-charter rate per day.

CN Dive reserves the right to make necessary changes to itineraries, including departure dates or locations, due to unforeseen circumstances such as adverse weather, natural events, technical issues, political unrest, or changes in domestic flight schedules. In such cases, we will inform guests promptly and offer suitable, comfortable alternatives in full consultation with them.

If a guest wishes to disembark before the completion of the trip or at a different location, CN Dive will assist with return travel arrangements where possible. However, all associated costs will be borne by the guest.

The number of dives indicated in any package is an estimate based on standard conditions and is not guaranteed. The standard schedule includes up to three (3) dives per day, plus one night dive when conditions permit. There is typically one check-out dive on the arrival day, one dive on the penultimate day, and no diving on the final departure day (subject to location and logistics).

(Please see next page)

Trip Itineraries, Changes, Diving, Certification and Insurance (2)

We strongly recommend that guests bring their own personal dive equipment, including wetsuit, mask, snorkel, regulator, gauges, BCD, dive computer, safety marker, torch, and fins. Rental equipment must be requested at least 60 days prior to departure through the booking form completed by all guests.

All diving with CN Dive is strictly no-decompression diving. Decompression dives are not permitted under any circumstances, regardless of a diver's certification or experience level. Violation of this policy may result in the guest being prohibited from diving for that day or the remainder of the trip.

Guests are strongly advised to obtain comprehensive travel insurance with adequate coverage for diving activities and to build flexibility into their international and domestic travel plans. CN Dive cannot be held responsible for any expenses arising from events beyond our control if a guest chooses not to purchase travel insurance.

To reduce the risk of flight delays or missed connections, we highly recommend arriving in Indonesia at least one night before the cruise commences and departing at least one day after the cruise ends. CN Dive accepts no responsibility for missed flights or connections.

(Please see next page)

TERMS & CONDITIONS (continued)

Trip Itineraries, Changes, Diving, Certification and Insurance (3)

All guests planning to dive must present valid certification from a recognized diving agency (e.g., PADI, SSI, CMAS) and must carry valid diver insurance. In addition to standard travel insurance, we strongly recommend dive-specific insurance through Divers Alert Network (DAN). CN Dive can assist with obtaining this insurance. All required information, including insurance details, passport data, dive equipment requests, and special requirements, must be provided on the booking form.

CN Dive assumes no liability for injury, death, property damage, or loss unless directly caused by the negligence of its staff. Each diver or snorkeler is responsible for their own physical fitness to participate and fully accepts the inherent risks involved.

The CN Dive team reserves the right, at the discretion of the Cruise Director, to exclude any guest from diving (one, several, or all dives) for safety reasons if the guest lacks the necessary competence. Guests with any medical conditions, medications, recent illnesses, injuries, or surgeries that could affect diving must inform us in advance. Failure to disclose such information may invalidate insurance coverage or result in a non-diving trip.

CN Dive is committed to marine conservation. All guests must follow responsible diving and snorkeling practices to protect the reef and its marine life.

(Please see next page)

Operations & Vessels

On Shared Trips: The boat is assigned based on schedule and availability, so specific boat requests cannot be accommodated.

Vessel Substitution: In the rare event of mechanical issues, we reserve the right to substitute the boat with another of equal or higher standard. This is at our discretion and does not qualify for a refund or compensation.

(Please see next page)

Special Diets, Medication, Alcohol, Smoking and Drugs

Guests with specific dietary requirements (including vegetarian, vegan, food intolerances, religious restrictions, or allergies) must inform CN Dive at least 30 days prior to departure. If not notified in advance, it may not be possible to accommodate such requests onboard.

Due to potential currents and wind, the vessel may experience moderate movement. Guests prone to motion sickness are advised to bring appropriate medication.

The vessel is equipped with first aid kits, oxygen, and an AED. However, CN Dive cannot accept responsibility for storing any guest medication, including those requiring refrigeration. Guests requiring temperature-controlled medication must bring their own cooling case with sufficient ice packs. Crew members may recharge ice packs but will not assume responsibility for the medication itself.

Alcoholic beverages : guests are personally responsible for responsible consumption. Any consumption of alcohol on a given day will result in that day becoming a non-diving day. If the dive guide determines that a guest is unfit to dive due to alcohol consumption, the matter will be referred to the Cruise Director for a final decision.

A designated outdoor smoking area on deck will be indicated during the initial briefing.
Indonesia enforces severe penalties for drug-related offenses, including the death penalty for trafficking. CN Dive maintains a zero-tolerance policy toward illegal drugs. Any attempt to bring narcotics onboard will result in denial of boarding and cancellation of the trip without refund. Any guest found in possession of or under the influence of illegal drugs will be handed over to the authorities.

(Please see next page)

TERMS & CONDITIONS (Last Page)

Claims, Complaints, Liability, Release and Assumption of Risk

Any observations, complaints, or requests for reimbursement must be submitted to CN Dive immediately or within ten (10) days of the trip's conclusion. Requests for reimbursement for services paid for but not provided will be reviewed upon submission of supporting documentation.

In the event of any dispute or litigation, the exclusive jurisdiction shall be the courts of Indonesia.

CN Dive shall not be liable for personal injury, property damage, or wrongful death arising from activities arranged or performed during the cruise, except where directly caused by the proven negligence of its staff.

Any intentional damage caused to CN Dive property shall be the full responsibility of the guest(s) involved. The cost of repair or replacement shall be determined solely and reasonably by CN Dive. Any disputes regarding such costs are subject exclusively to the jurisdiction of Indonesian courts.
